Most of the Wallwork books are available in print in the TSU Library, International Resources Center; they are available electronically through the Center for Academic Writing, as are the print versions of the updated editions. APA and CMOS can be obtained electronically through the Center. *Oxford Collocations* can be viewed in print at the Reading Room, and *New Oxford Style Manual* at the Center. The Center also has the *AMA Manual of Style* (for medical writing) and the *ACS Style Guide* (for chemistry)(also electronically).

Some links (most do not require subscription):

scimagojr.com – Science Journal Rankings (SJR), an analysis by name, category, and country of all the journals indexed in Scopus, with their citation and ranking data and some links to the websites

scopus.com – the main database, accessed by subscription, listing each article that has appeared in covered journals and its citation data; the abstract, location, and references; and author and journal information. It can be accessed from the TSU library.

<http://www.elsevier.com/online-tools/scopus/content-overview#> – Elsevier's website about Scopus, with the list of all journals currently on Scopus and the list of all journals discontinued from Scopus and their publishers

doaj.org – Directory of Open Access Journals, the authoritative listing of open access journals (but anything listed should still be checked for being predatory)

publicationethics.org – COPE, the Committee on Publishing Ethics, international standards for authors and journals

www.apastyle.org – the supplemental website for the APA Manual

<https://owl.english.purdue.edu/owl/section/2/> – the Purdue Online Writing Lab (Purdue OWL), with sections on almost everything (see Site Map), including specifics of APA, CMOS, MLA, and AMA styles

<http://ctl.yale.edu/writing/resources-multilingual-writers> – Yale University Writing Center, materials and information for multilingual academic writers!

www.grammarly.com – a free add-on site for grammar and spelling checking, well recommended

translit.ru – can be used to transliterate Russian words automatically according to a chosen style

https://www.zotero.org/support/quick_start_guide – information on the free, very usable and useful reference manager

<http://lib.tsu.ru>, <http://lib.tsu.ru/en> – always check the TSU Research Library's website for information related to publishing
